fire safety education for children

play safe! be safe! is a multimedia classroom fire safety education program created by a team of child development and fire prevention specialists including Fireproof Children, and sponsored by BIC Corporation.

The **play safe! be safe!** kit is an easy to use multimedia fire safety education tool designed to help teach fire prevention and fire safety skills to young children. Many activities included in the kit can also be easily adapted for older children and students with special needs.

The **play safe! be safe!** kit has been awarded both the Rolf H. Jenson Partners in Public Education Award from the National Fire Protection Association, and the *Director's Choice* award from the National Association for the Education of Young Children.

The kit teaches four safety skills, and through practice, role playing, observation and reinforcement, children learn how to use these skills appropriately:

- Go to the Firefighter
- Stop! Drop! & Roll!
- Get Low and Go!
- Matches and Lighters are Adult Tools

Each **play safe! be safe!** kit contains:

- 20-minute DVD featuring "Firefighter Beth"
- Four sets of story boards that illustrate a lesson and promote discussion
- Dress the Firefighter activity board
- Safe for Play! Keep Away! activity board
- Keep Away! card game
- Comprehensive resource guide
